ClassiCorps Fellowship

ClassiCorps is a selective fellowship for recent college graduates of all backgrounds with an interest in education or social justice. ClassiCorps members teach for three years as fully-salaried teachers, simultaneously earning their Master's in Teaching— paid for by Classical.

ClassiCorps members are full-time faculty members, and share our undying commitment to maximizing student achievement. Our teachers have a razor-sharp focus on the school's mission and the drive to meet their key responsibilities:

- Leading all scholars to gap-closing academic gains. Scholars must achieve mastery and advanced mastery of grade-level Common Core State Standards to succeed through college.
- Establishing and maintaining a “no-excuses,” highly ordered classroom culture where scholars and staff demonstrate respect, responsibility, caring, trustworthiness, fairness, and citizenship.

ClassiCorps members receive:

- Summer preparation—observing, attending sessions, and leading instruction during Summer Learning Academy.
- Intensive coaching, including observations and debriefs with instructional coaches twice per week all three years.
- A Masters' in Teaching—paid for by Classical Charter Schools—completed during the first two years.
- Full salary and benefits, starting at \$50,000 per year, and rising to \$70,000 after their Master's is completed.

All while working to provide a world-class education for students in the South Bronx.
