This is a **dynamic** role heavily focused in broker interactions, designed to provide outstanding analyst support while being **challenged** to meet our high standards of responsiveness, accuracy, efficiency, exceptional service and regulatory compliance.

Training Program

Analysts take part in a 3 month **paid, comprehensive, team-oriented & fun-filled** training program beginning in summer 2018 at our White Plains, NY headquarters to gain a strong foundation in high net worth property and casualty insurance—this includes learning about PURE products, solutions, and the successful practices that shape our organization and differentiate us from our competitors. The training program provides exposure to our Underwriting function among other facets of our business and will lead to full-time positions in Underwriting. Upon completion, analysts will be based out of our Scottsdale, AZ; Charleston, SC; Basking Ridge, NJ; Chicago, IL; San Francisco, CA; San Diego, CA; Roswell, GA; New York, NY; or White Plains, NY offices.

As an underwriting professional, a typical day might include:

- Developing, maintaining and managing broker partnerships in specific states and/or territories
- Developing strategies, goals, and tracking progress of state/territories by delivering exceptional, timely, complete and accurate service to brokers
- Learning how to manage a field of brokers to attain company growth, new business, and profitability goals
- Operating within authority and documentation guidelines and following up on accounts
- Analyzing, assessing, and selecting risks with an empathetic and profitable mindset in line with PURE's strategy and underwriting guidelines
- Being challenged on assignments that may require a quick turnaround
- Attending trainings and workshops to further develop both personally and professionally during your career in insurance
- Being recognized for exceptional performance
- Playing a game of ping pong in our café

- Knowing your efforts are truly valued and appreciated

This career is for you if:

- You are entrepreneurial, persistent, and capable of prioritizing multiple tasks
- You possess strong analytical skills
- You have an established and strong academic, professional, and recreational profile that demonstrates the ability to work in a fast paced environment where multitasking and organizational skills are required
- You are interested in a fast-growing and innovative insurance carrier that specializes in the high net worth market
- You exhibit excellent interpersonal, listening, written, and oral communication skills
- You demonstrate sound, balanced and timely decision making skills
- You can work independently but thrive in a collaborative atmosphere exhibiting team spirit & enthusiasm
- You demonstrate integrity, empathy, urgency and can quickly establish trust & credibility
- You are an agile, creative, and adaptable learner who can quickly absorb information and apply it to current business situations
