

**Employer Name:** Classical Charter Schools

**Position Title:** 2019 ClassiCorps Teaching Fellowship

**Location:** 977 Fox Street, The Bronx, New York City, New York 10459, United States

**Industry:** Education

### **Employer Description**

Classical Charter Schools are high-performing public charter schools in the South Bronx. We maintain an uncompromising but purposeful structure that liberates teachers and scholars from distraction, transforming the classroom into an environment sharply focused on learning. Despite serving students typically deemed ‘at-risk,’ we consistently outperform over 90% of New York schools and won the National Blue Ribbon Award for Exemplary High Performance in 2014. Founded in 2006, South Bronx Classical I serves Kindergarten to eighth grade. South Bronx Classical II and III opened in 2013 and 2015 and will grow one grade each year through fifth grade. We seek mission-driven educators as we broaden our impact across the city.

### **Job Description**

Classical Charter Schools is a National Blue Ribbon Award-winning network of charter schools located in the South Bronx. Though our neighborhoods are historically underserved, we provide a world-class, well-rounded education to our scholars through a classical curriculum that includes art, music, Latin, debate and character education.

The ClassiCorps Teaching Fellowship is our selective program for recent college graduates of all backgrounds with an interest in education or social justice. ClassiCorps teachers work for three years as fully-salaried teachers, simultaneously earning their Master’s in Teaching—paid for by Classical Charter Schools.

The ClassiCorps Teaching Fellowship begins in June of 2019, with some flexibility for June graduates. Successful ClassiCorps teachers are encouraged, but not required, to continue their work with Classical Charter Schools beyond the three-year commitment.

### **Additional Information**

ClassiCorps Teachers receive:

- Summer teaching preparation—observing, attending sessions, and leading instruction during Summer Learning Academy.
- Intensive coaching, including observations and debriefs with Instructional Coaches twice per week during all three years.
- A Masters’ in Teaching—paid for by Classical Charter Schools—completed during the first two years.
- Full salary and benefits, starting at \$54,000 per year, and rising to at least \$70,000 after their Master’s in Teaching is completed.

All while working to provide a world-class education for students in the South Bronx.

### **Responsibilities:**

ClassiCorps teachers are full-time faculty members, and share our undying commitment to maximizing student achievement. Our teachers have a razor-sharp focus on the school’s mission and the drive to meet their key responsibilities:

- Leading all scholars to gap-closing educational gains. Scholars must achieve mastery and advanced mastery of grade-level Common Core State Standards to succeed through college.

- Establishing and maintaining a highly ordered classroom culture where scholars and staff demonstrate respect, responsibility, caring, trustworthiness, fairness, and citizenship.

**Qualifications:**

- Bachelor's degree (Minimum GPA: 3.0)
- Alignment to Classical Charter School's mission and approach
- Excellent work ethic and maturity
- A history of driving ambitious results

**Education:**

- Senior, Graduating May 2019 - June 2019
- All Aerospace Engineering, Agricultural Production Operations, Cartography, City, Urban, Regional Planning, Classical Studies, Cyber Security, Data Mining, Early Childhood Education, Education Administration, Elementary Education, Insurance, International Business, Language Arts Education, Law, Library Sciences, Mathematics Education, Nautical/Naval Engineering, Network Engineering, Nuclear Engineering, Oceanography, Product Design/Packaging, Religious Studies/Divinity/Theology, Secondary Education, and Special Education majors

**Duration:** Permanent

**Job Functions:** Education/Teaching/Training

**Work Authorization Requirements:** US work authorization is required
